RE; ITF Circular letter on ANTI-DOPING

Dear NGB Representatives,

Since October 2019, the ITF HQs has been continuously circulating the information to all NGBs on the Anti-Doping Code compliance requirements and the vital importance of the WADA e-learning programs for athletes and coaches (ALPHA and CoachTrue).

All is an honest attempt to prevent any unintended violations of the athletes in good faith.

It is important to make sure that all the unprecedented and hard works of ITF at the international level are vigorously requiring the deep attentions and collaborations from the ITF members under each/every NGB.

Therefore, ITF NGBs are kindly requested to deliver all the Anti-Doping -related circular letters from the ITF Anti-Doping Committee or ITF HQs to all NGB members immediately so that every member could get the precise understandings on this particular matter for its full implementation for the fair and clean competitions, and report of this delivery results to the ITF Anti-Doping Committee and ITF HQs within 3 days.

If any question and problem in the course of the Anti-Doping Code compliance act, do not hesitate to report to the ITF Anti-Doping Committee(xleius@yahoo.com) and ITF HQs.

Thanks for your cooperation.

Kind regards,

ITF HQs
