IAPT

The President of the IAPT, Mr. Chon Jin Shik, is pleased to announce that the associations in Italy and Ireland were given the special award in 1994. This award is in the form of a cash donation. We remind you all that IAPT membership is open to all and the fees are payable at the time of the gradings.

Now that we are capable of printing colour copies please be good enough to send us photographs and stories about your events.

We are now ready to order condensed manuals and are asking the supplier for an up-to-date price. More information will be sent to those who ordered from us.
