<ITF>

The ITF take no responsibility for incorrect details which are published in

the newsletter for items submitted by members.

<ITF>

We send again a letter to remind you that all ITF matters should be informed to the ITFHQ so that approval may be given and the dates noted.

<ITF>

In keeping with the development of the ITF a company has been formed to manufacture equipment. It is planned to develop this company as a multi purpose concern. The potential is enormous and therefore **all ITF members are being offered the opportunity to invest in this company**. It is thought that the initial investors will buy shares and that 1 certificate will cost US\$5,000.00 and this certificate would have 9000 shares. As the company is registered in Singapore as a private limited company there can be only 50 members in the beginning but this will be expanded later. Anyone who is interested should contact the ITF Office in Vienna.
