## ***CONGRESS***

We enclose the congress AGENDA and explanation for the national associations.

## ***AWARDS***

Some nominations for these awards have been received but we are surprised that there are not more. Please send your nominations before the congress.

## ***YEARLY PLANS***

Please take a copy of your plans for 1994/1995 with you to Malaysia.

## ***"DATO"***

Master, Doctor, Sabree Salleh has been awarded the distinction of the title 'Dato' in his country. We believe that this entitles him to be addressed as Sir in the English manner. Many hearty congratulations from all in the International Taekwon-Do Federation. Dato Salleh was also awarded the ORDER of FRIENDSHIP from DPR Korea. This award was presented by the Ambassador from Korea at a ceremony in the embassy in Kuala Lumpur. The award was in recognition of his contribution to TKD at regional and international level.

## ***INTERNATIONAL INSTRUCTOR***

We remind you all that international instructors cannot compete in championships.

## ***ITF ADDRESS LIST***

In some cases it has been found difficult to communicate with members because of a lack of information being passed down the 'chain' and sometimes because we only communicate with 1 person in a country. Sometimes the person to whom we send the correspondence drops out of active participation but does not inform us. However, they wish to receive the information but do not pass it on. Consequently, we wish to expand the official addresses and so we ask that every national association advises us of the names and addresses of the regional, state, county, or area representatives. Your help and cooperation is much appreciated as it will ensure uninterrupted and regular communications.
