It should be noted that **hosts for seminars should not be given certificate fees** as the responsibility is with the National

Association of the person who is grading. The certificate application form should be taken to the grading with the examiner fee plus an ITF grading form and handed to the examiner. The examiner will then sign the form if the applicant is successful and give it back to the person who took the grading. The form should then be sent to the NGB(or the ITF direct) along with the certificate fee to process the application for the certificate. Should this procedure not be followed then the ITF take no responsibility for what happens.

<ITF>

The ITF take no responsibility for incorrect details which are published in the newsletter for items submitted by members.

<ITF>

The ITF have the facilities to allow members to transact with their **VISA cards**. VISA may be used for all transactions, including certificate fees, but there is a surcharge of 4% on all transactions. Please quote your card number and expiry date to use this facility.

<ITF>

To avoid misunderstanding about what an **examiner may and may not do** we print the following. A VIIth. Dan may not take a grading for someone who wishes to be promoted to VIth. Dan, even if it is a grading by a 'panel'. There must be an VIIIth. Dan or higher present. Every examination for IVth. Dan and above must have the approval of the ITF before it may go ahead. For **every person who wishes to be promoted to IVth. Dan or higher** the ITF must be notified in writing at least 3 months in advance so that the period of waiting is checked. If the ITF have not been notified and you have not received a reply then you cannot be graded.
