NEWSLETTER NUMBER 4 OF 1989

29th. August

13th. WORLD FESTIVAL OF YOUTH & STUDENTS

The results are included with this newsletter. Please note that the policy of counting all the medals for placing the overall winner has been changed. Instead, it has been brought into line with the IOC policy of counting only gold medals. Team gold will only be counted as 1 gold for this purpose and both team and individual medals will count for the overall placing.

ITF SPOKESMAN

Please note that the telephone for Master Hwang Kwang Sung should be the USA country code, area code 203 and number 6460100.

VIIth. WORLD CHAMPIONSHIPS

We are delighted to confirm the exact dates for this grand event as the 4th. to the 8th. of July, 1990. They will be held in Regina, Saskatchewan, Canada and we quote from their "Share the Success" publicity booklet.

" Regina's promise for the 1990 Taekwon-Do World Games is 'even bigger, even better' than the record-setting Budapest Games. Already, organizers are working hard to make sure this commitment is met."

1989 EUROPEAN CHAMPIONSHIPS

Confirmation that you should write to Mr. Ernest VERNER, Bolgenstrasse 15, Davos Platz, 7270, SWITZERLAND to confirm your participation at the Euros in December. Let him know how many people will attend.

COMMUNICATION

We have, in the past, emphasised the importance of communication. The Federacion De Taekwon-Do Argentina would like to set up a fluent exchange of papers, videos, and magazines between the important TKD organizations. We ask that you write to them care of Mr. Pablo TRAJTENBERG, General Secretary, Fed. TKD, Luis Maria Campos 311, (1426) Buenos Aires, ARGENTINA.

NEW ZEALAND TOURNAMENT

We had a very excellent report from Mr. M.K.H. HEMANA, Chief Instructor, TKD Association, 100 Thackeray Street, Upper Hutt, NEW ZEALAND, about their tournament for which we thank them. They had a 'Talk-Back' from the venue during the day with their national radio station and everyone seems to have had a good day. Many congratulations to all who made this a success.
