NEWSLETTER NUMBER 2 OF 1988

February 1st. 1988

Vith. WORLD CHAMPIONSHIPS

Unfortunately we omitted one item from the last newsletter about the participation. For POWER (items 3 to 7) each competitor may only compete in 2 items, 1 hand technique and 1 foot technique only. For SPECIAL TECHNIQUE (items 8 to 12) each competitor may only compete in 2 items, any 2 items. For FREE SPECIAL TECHNIQUE (item 13) any competitor may compete.

This means that 1 competitor may only compete in 5 items of numbers 3 to 13 and also items 1 and 2.

For those who have already entered more than this permits you must write to the ITF stating which items you will now enter for.

The hosts have asked that the preliminary brick breaking with sonkal be done with a downward strike rather than sideways in a holder. Please let us know if you have any objections to this?

Your arrival times in Hungary should be notified to the President of the Vith. World Championships, Mr. HARMAT Laszlo, Director, ITF, President, TKD Association, 1026 Budapest II., Endrödi Sandor u. 46/A, Budapest, HUNGARY.

TEAM PATTERN - We are asked to say that NLO1-88 incorrectly stated that team pattern would be from Chon-Ji. It will be designated from Choong-Moo to Ge-Baek and the optional is any pattern at all.

UMPIRE SEMINAR

The Umpire Seminar on April 5+6 can only be participated in by 'A' Class umpires as it is a familiarisation for those who will officiate at the championships.

INTERNATIONAL COURSES

We remind European people that for International Qualifications that they should come to the course in Vienna. Although Master Park may visit countries to give courses, where there are only a few people for international qualification they may not receive sufficient instruction to enable them to be qualified due to the presence of lower grades. The ITF policy is for European people to qualify in Vienna and this applies to everyone.

A correction to the Pottstown course which will be held from June 24th. to July 3rd.
